ENERGY EFFICIENCY ADVISORY COUNCIL

NOTICE OF NEW COUNCIL MEETINGS FOR OCTOBER and NOVEMBER 2016

The Energy Efficiency Advisory Council ("Council"), established pursuant to section 22 of Chapter 25 of the Massachusetts General Laws, has scheduled new meetings for **Wednesday, October 19 and Wednesday, November 16, 2016.**

The Council will hold these meetings as follows:

The October 19 meeting will take place in Conference Rooms B + C on the Second Floor of 100 Cambridge Street, Boston, Massachusetts 02114 from 1:00 pm until 4:00 pm.

The November 16 meeting will occur in the Function Room next to the Ashburton Café in the John W. McCormack Building at One Ashburton Place, Boston, Massachusetts 02108 from 1:00 pm until 4:00 pm.

At this juncture, the Council anticipates that the *October 19th* meeting will focus on peak demand and peak demand reduction demonstration projects. The Council further anticipates that the *November 16th* meeting will address issues touching on residential sector matters with likely updates regarding the Renter Initiative and the Moderate Income Initiative with potential discussions concerning 2016 Third Quarter results.

The Council expects to hear from the Program Administrators at each of these meetings where they will present their Monthly data dashboard report for the respective month. At each of these meetings, the Council may take also up any and all general business incidental to the operation and oversight of the Energy Efficiency Investment Plans, which are administered by electric distribution companies, natural gas distribution companies, and certain municipal aggregators, also known as the Program Administrators ("PAs"). This notice is provided pursuant to Massachusetts General Laws Chapter 30A, Section 11A ½.
